Radio Code Recording - Case [REDACTED]

1. In compliance with your request of 25 February 1955 (no DAS number) we have obtained a tape copy of the wire recording which [REDACTED] of a message from [REDACTED] outer space. They print the original wire recording too highly to relinquish it, even to the government; however, they were overjoyed that we showed an interest.

2. They have recently heard from the Chicago [REDACTED] radio operators who also claim to have recorded such messages so if you find this one interesting, we will be glad to track down the others. Our Chicago representative would appreciate knowing that your conclusions are.

The Black Vault

The image shows a close-up of a heavy, metallic vault door. The door is partially open, revealing a complex internal mechanism with multiple locking bolts and a central handle. A bright blue light emanates from the gap between the door and the frame, creating a strong glow and casting shadows on the surrounding metal. The overall aesthetic is industrial and mysterious.

The Black Vault is the largest online Freedom of Information Act (FOIA)
document clearinghouse in the world. The research efforts here are
responsible for the declassification of hundreds of thousands of pages
released by the U.S. Government & Military.
